HOUSES IN GUJARAT:

For over two decades the Trust was funding the building of PUCCA CEMENTED COTTAGES for the needy in the interiors of Gujarat.

Our heartfelt gratitude goes out to **MRS. FERZYN BOOMLA** for continuing the noble tradition of her mother the Late **NAJU DAVER** of donating a GARA for the purpose of raising funds for our laudable scheme. Our sincere thanks also go out to **THE HOUSE OF GODREJ** for year in and year out donating a refrigerator / Home safe / cupboard to raise funds for the above purpose. The monies collected from this effort were in the past utilized towards building one such house every year. It is through the good offices of the World Zoroastrian Organisation Trust that we are able to build these houses for our poor brethren. A marble plaque is embedded at the entrance of every house that is built from this drive. Each plaque clearly states THIS HOUSE IS BUILT FROM THE MONEY COLLECTED BY THE MANCHEJI EDALJI JOSHI MEMORIAL TRUST THROUGH THE GOOD OFFICES OF THE WORLD ZOROASTRIAN ORGANISATION TRUST and the name of the person in whose memory the houses are built in case of individual single donor families

No amount of words could adequately express our heartfelt thanks to the very noble and gentle couple Bachi & Dinshaw Tamboly of WZO for bringing to light the plight of these poor in the interiors of Gujarat. May Ahura Mazda be with them always.

DONATION TO AHURA SUPPORT:
